

Christmas Decorations for Drive By Viewing in Lansdowne and Surrounding Area – 2020

Enjoy Some Christmas Cheer and Stay Safe!

There are many lovely displays of Christmas Cheer in the Village of Lansdowne, and the Surrounding Country Roads. These streets and roads have registered, but touring the whole village would be grand!

Some specific civic addresses have been noted on longer country roads to ensure that you find the display, but you might see others along the route!!

The Leeds and Thousand Islands Public Library has provided a **scavenger hunt** sheet to find as many different decorations as possible.

Remember there are more than light decorations – some are wooden, or window stickers, or inflatables, etc.

Visit the LTI Public Library Facebook Page for more information.
